girlmeetsgold Easy wrap top (on sale for just \$31.90!) and my go-to white pants under \$70. 🏠 #NSALE Public Access begins tomorrow and this wrap sweater is becoming more and more of a favorite! I initially wanted it to be more of a relaxed fit but I kind of love the classic silhouette and it's different *just enough* than all my other long-sleeve knits. 😊 I love the effortless vibe of a grey top yet somehow don't have that many! I'm wearing a small in this one & it also comes in black, blush and olive. I would size UP! My shoes are also part of the Nordstrom Anniversary Sale and are under \$100 (size down in those if in between sizes) and I linked everything for you in the @liketoknow.it app or via the link in my profile. 🥰

P.s: snapped this shot in Taos, New Mexico this spring. 🌿 The mountain views in this town are surely something else and definitely deserve a day trip visit if you find yourself in Santa Fe! 📍 #soundofmusicvibes #taosnewmexico #thecitydifferent

wearetheglittergospel I've got gadgets and gizmos a-plenty I've got whozits and whatzits galore You want thingamabobs? 🤖 I've got twenty! 🗿 But who cares? I shopped the #Nsale today and there's more on the way! 🤗

For real tho... pumped for the sale, got a lot of goodies.... sharing 'em on stories all day... but I'm also not going cray over here like some peeps 🤪 I'm happy with what I have, not a millionaire... or a mermaid for that matter... and I'm closet curating one piece at a time on a budget! Speaking of... this dress is amazing and I'm wearing it on repeat lately bc well... cute and comfy. Contemplating another color ASAP! It comes in

wearetheglittergospel Let your wardrobe tell the story. 🤝 I get so many questions about personal style and how to find it... and my biggest piece of advice would be to wear pieces that speak to you. Just like finding people to do life with, your closet needs to compliment your life. {AD} Build your closet one piece at a time and add in stand out accessories to make it fun. Just like the story of your life... your closet... well, the rest is still unwritten. ✍️

That's why I love @patricianashdesigns so much. Her pieces are unique, they tell a story, they compliment not only your outfit, but your lifestyle. How stunning is this bag and bracelet from her latest collection?

(or is that just me?!)

• Found these beauties while treasure hunting at Zara in Toronto a few days ago! I'm all about online shopping, but sometimes there's a rush you can't get from anywhere else when you snag a good deal in store. 🎉 Who's with me?!

Ps: these beauties are long gone sold out but I scoured the web to find a few similar styles and linked them via the @liketoknow.it app! 💙💙

meganraeoflight Feeling myself in this dress & tee on my way to Birthday brunch 🥂 every year I spend some of my birthday money on one #sustainablefashion outfit and this year I chose to buy something from @spell since I've been dreaming of owning one of their pieces for years 😍

It's not easy to have a fully sustainable closet because you have to be more mindful with your spending, but man am I thrilled with each piece I choose

Slowly, year by year, I hope to eventually have more #ethicallysourced pieces in my closet than fast fashion pieces

If you have any favorite
