
IMPROVE YOUR HEALTH NOW

If interested, patients will be able to access all product information directly from the online Wellevate portal.

For more information, please contact Dr. Lewis.

WELLEVATE

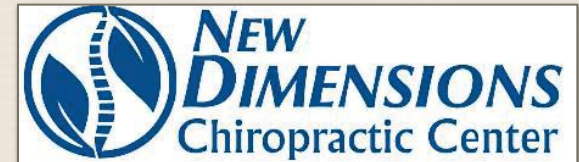

Aiming to provide the best possible care to his patients, Dr. Lewis has joined the Wellevate community and established a dispensary available to all patients.

This easy to understand, online dispensary allows your doctor to recommend high quality products fit for your medical needs.

These recommendations will include the product brand, description of the product and directions for proper use.
